## SUMMARY

My relaxed demeanour allows me to work well under pressure. When it comes to work, I am dedicated to the task put before me and I will do whatever it takes to make sure it is completed in a timely fashion. I would like to work on anything that has to do with developing software.

## PERSONAL ATTRIBUTES

I have a great ability to learn very fast. I am also Transparent, Proactive, Organized, Result oriented, Goal driven and productive under great pressure.
